Issue No. 1   19th March, 1982

    Goofed a perio? Feeling blue
and depressed? Cool off. Spring
back to your jovial best or worst.
Sprinculin is here and will be with
you for the next ten days.

    "In the spring a young man's
fancy likely turns to thoughts of
love" - (Locksley Hall). IITians'
love for cultural events is pretty
well known.

    First and foremost - why this
Sprinculin? Generally the soc and
lit events are held through the
course of the year. Except for

some cat events like quiz, jam and

SPRINCULIN '82
A Miscellany of Cultural Events

As You Like It, the others are thinly attended. Half
the time, half the hostels do not take part.

So Sprinculin is aimed at generating some life into
the soc and lit side of the IITian. With two trophies
- the Lit and the Engineering Unit Trophies - at stake,
the secretaries feel that it will generate as much tempo
as the race for the Schroeter.

We will be covering Sprinculin for you but not with
daily issues. We'll be coming out as and when there's
enough to tell you about, and maybe combine 2-3 events
in one issue.

Sprinculin '82 is being launched off with the Staff-
Student Quiz for the Prof. Subramanian (Wills Filter)
Rolling Trophy. There will be two teams from the staff
and students. The staff are being represented by Dr.
Antony Reddy (Elec.), Dr. KV Gopalakrishnan, (Mech.)
Dr. Natarajan (Mech.), Dr. Subramanian himself (RSIC)
Dr. Ananth Padmanabhan (Met.) and Dr. Kalyanaraman
(Civil).   The students taking part are all final years
- Fooyong, Bucket, Poncho, Suku, Pat and Big B. Let's
see who outsmarts the other.
